ELKS DEDICATE NEW HOME

Impressive Ceremony Held in Lodge Rooms on Tuesday Night

On Tuesday night of this week the Elks Lodge of Glendale was host to more than 1500 members of the Elks Lodges in Southern California. The visitors came from all over the South and four of the Lodges brought their Bands with them. Santa Monica, United States Marine Band from San Pedro, and the Bands of Pasadena Lodge and Los Angeles Lodge furnished the music of the evening. The bands also played on the streets at different times to the enjoyment of all who heard them.

The exercises were under the control of Montgomery M. Moulton, District Deputy Grand Exalted Ruler of this district and was assisted by Past Exalted Ruler Potts of Pasadena, Past Exalted Ruler Pyle of Los Angeles and Past District Deputy Grand Exalted Ruler H. W. Brown of Santa Monica.

Raymond Benjamin, Past Grand Exalted Ruler, made the leading address, a patriotic speech in which he recommended the vital things which would benefit the Country, the Order and the Individual. His talk was very inspiring and brilliant.

John W. Usilton, Chairman of the Building Committee, surrendered the official key with the proper ceremony to Brother Moulton, who in turn surrendered it to Brother Clinton L. Booth, Chairman of the Trustees of 1289.

Joe Fortunato, who is the House Manager, served the lunches for the 1500 or more guests that were present

PROCEEDINGS OF BOARD OF TRUSTEES

The Board of Trustees held their regular meeting in the City Hall on Thursday night, all members being present. The minutes of the last regular meeting were read and approved.

The minutes of the adjourned meeting held on Feb. 4, were read and corrected to state that Trustee Muhleman was elected President Pro tem.

A communication was presented to the Board and to the City Treasurer signed by Lillian J. Empey, stating that in reference to Lots 24 and 25 of Houston's West Glendale Tract, demand is made that no bond be issued against her property for the improvement of Milford Street as it is the intention of the owner to pay any assessment against the property in cash at the proper time, reserving, however, all objections as to the regularity and validity of the proceedings.

Similar communications in reference to property owned in that same section was received by the Board.

On motion these communications were referred to the City Treasurer.

Reports of City Clerk, City Treasurer and Tax Collector were received and referred to the Finance Committee.

Reports were received from the Health Officer and the Building Inspector, and ordered to be received and filed.

CECIL SHAVER KILLED

Former Glendale Man Meets Death In Explosion

Cecil E. Shaver, founder of the Shaver Grocery Company in Glendale, and until recently a resident of this city, was fatally injured on Wednesday morning as the result of a gasoline explosion at his home in Bakersfield.

According to reports, the accident occurred as Mr. Shaver was filling the gasoline tank of his automobile. A spark from the storage battery or the dry cell or from the air, in some unexplained manner, is thought to have ignited the gasoline fumes and caused the explosion which was fatal to Mr. Shaver.

Physicians were immediately called but they were unable to save the burned man, who died shortly after noon of the same day.

Mr. Shaver was very well known in Glendale and has a host of friends here who will mourn his passing, and who extend to Mrs. Shaver their sympathy in this hour.

Mr. Shaver has been a resident of Bakersfield for the past four years going to that place to manage a large grocery store there.

Mr. MacBain, of the Shaver Grocery left Glendale immediately for Bakersfield upon learning of the accident.

The body of the deceased will arrive in Tropico this (Saturday) morning at five minutes past seven accompanied by members of the Bakersfield Lodge of Elks, of which he was a member. The body will then be taken to Forest Lawn where

Approximately 750,000 California families will receive the new Home Card of the United States Food Administration within the next few days. These cards, which will replace the original cards of last fall, will be distributed through California postoffices. They contain the revised conservation program for 1918, and we urge the American people to a greater saving of wheat products, sugar, pork, beef and fats as a "vital war measure". In California the regular "Meatless" Tuesday, which has temporarily been suspended for a "Porkless" Tuesday, will again be effective March 13.

On one side of the card the Administration says in brief: "Our problem is to feed the Allies and our own soldiers abroad by sending them as much food as we can of the most concentrated nutritive value in the least shipping space. These foods are wheat, beef, pork, butter and sugar.

"Our solution of this problem is to eat less of these foods, substituting them with other foods which cannot be so readily shipped. All saving counts for final victory.

NEW TYPE OF PUBLIC SERVICE DEMANDED

The great drive on the western front last April, when Hindenburg retreated and forty German army corps were put out of commission, was frustrated by the interference of the politicians.

French Senators meddled with the great campaign and the result was that what might have been the decisive battle of 1917 was not and now the cause is found to have been politics.

It is a lesson for our country that should teach the people to demand patriotism instead of party service, to demand that men of the highest type serve in public office for honor and duty's sake.

The President is still calling for men like Copper King Jackling, who has taken the post of Chief of the Explosives department for a dollar a year, to serve the nation in its time of necessity.

Thousands of such men are giving their time to the nation to help solve the great problems developed by the war period, and the people should follow the example and demand the highest type in state affairs.

Men must be found to go to the legislature and to serve in city and county governments whose minds are above the shady trickery of spoils politics, and the indecency of stirring up class hatred.

The call for service as a patriotic duty in state and nation is urgent and is voiced by the press of the whole country—give us the new type of public servant who forgets self-interest.

We have kept the meatless meat-days
And have lived to tell the tale.
We've accepted wheatless wheat-days
And have never raised a wail.
Now we plan for workless work-days,
And we see the workless works:
All we need, to get the work done,
Is to find the shirkless shirks!

Every yard of linen that is bought from today on puts the buyer in direct competition with the Aeroplane Board in equipping the fleet of aeroplanes which we hope to put over the German lines. That should be very plain to every one when it is known that the need of linen for aeroplane production exceeds the total stock there is in the world.

TO LICENSE FEED DEALERS

To prevent hoarding of concentrated and mixed feeding stuffs by speculators, the United States Food Administration has deemed it advisable to license manufacturers of, and dealers in, commercial feeds for livestock, cattle and hogs. President Wilson has issued a proclamation placing the industry under license control on and after February 15. The Food Administration declares that hoarding of stock feeds has been more or less prevalent since the beginning of the war, and has resulted in extraordinary high prices during the period of scant production. It believes that licensing will also prevent the hoarding of hay, which has been practised in some sections of the country as a result of unusual demands for the army.

The Food Administration hopes to stabilize the price of dairy and stock feeds. Without the license requirements it was powerless to prevent many evils which tended to encourage increased prices, especially near the large centers of population, where dairymen depend almost entirely upon concentrated foods for milk production.

It was upon the advice of the leading men in the trade that the Food Administration asked for the authority granted by the President's proclamation, under power given him by the Food Control Act of Congress.

Every importer, manufacturer, dealer, or storer of about 50 of the principal ingredients used extensively in making commercial mixed foods is included in the license requirements. This covers baled hay, shell and ear corn and many other important commodities which are intended for use as food or as ingredients in mixed foods. The only exceptions are for millers manufacturing bran and dealers in coarse grains, who have already been placed under Food Administration licenses.

Failure to secure licenses by February 15 may be punished by a fine not in excess of $5,000,—by imprisonment for not more than one year,—or by both fine and imprisonment. Applications for license should be addressed to the United States Food Administration, License Division, Washington, D. C., specifying the nature of the business to be licensed.

DISTRIBUTION OF TAX RATE

We have received a copy of the report of the Auditor of Los Angeles County showing the distribution of the tax rate, which makes interesting reading as the most of us like to know what becomes of the money which is collected from us.

The total County rate for 1917 is $2.13 per $100.00 valuation and the distribution for Glendale is as follows:

For County Purposes	.5496
High School Special	.39
Common School Special	.30
Kindergarden Special	.10
Building Special	.08
Common School Bond	.28
High School Bond	.13

The above shows a total tax rate for school purposes of $1.5804.

From the report we quote the following:

"The County Common School Fund tax rate of 16 cents and the County High School rate of 14.04 cents are mandatory, being fixed by statute, and are based on average daily attendance. Section 1817 of the Political Code directs that the minimum amount to be raised for Elementary School purposes by a general County levy shall be $13.00 for each unit of average attendance, and section 1764 directs that for High School purposes by a general County levy equal $60.00 for each unit of average daily attendance shall be made."

The special tax levy for both the High and the Elementary schools are practically fixed by the local school trustees, as is also the rate for Kindergarten and the Building fund. The last named is a new fund created by the last legislature.

Tropico district gets off a little easier, the total rate in this territory being $1.97, of which the school rate is $1.4204, divided as follows:

High School Special	.39
Com. School Special	.30
Kindergarten Special	.09
Com. School Bonds	.21
High School Bonds	.13
Gen. County Common	.16
Gen. County High	.1404

The assessed valuation of the County is $1,012,731,129.00.

Of this amount there is an assessed valuation of $202,503,814.00 credited to operative property, the railroads and other corporations comprising the public utilities, these being assessed for State purposes only.

TWO FIRES IN TROPICO DURING WEEK

The Fire department turned out to two fires during the past week. Both fires were of minor importance, as very little damage was done.

Sunday afternoon while playing in the rear of John Logan's residence, Edwin and Spencer, the two small boys of A. J. VanWie, ignited a piece of paper which they threw on the ground. The grass being dry, and also there was a good wind at the time, it was only a minute when all the vacant lots in the rear of the 200 N. Central block were on fire. By quick action of the fire department no damage was done.

Monday evening about 7:45 o'clock the department answered a call to put out a fire at 213 San Fernando boulevard, which is under the Hotel Tropico. An awning over one of the store fronts had mysteriously caught on fire and when the fire truck arrived it was all in flames. With the aid of some garden hose it was soon extinguished, the only damage done being the loss of the awning.

which was done in relays. This took some time but everybody got all they wanted to eat and were happy.

The entertainment given to the members was in charge of Roger (Telephone) Brown, and was probably the finest entertainment ever given in Glendale. There was talent, real talent, that kept the visitors in the new home till a long time after the midnight curfew had rung—but they all enjoyed the show and were only sorry when it was over.

There was a large number of soldier and sailor boys present from the nearby camps who were warmly welcomed. Frank Williams, formerly a member of 1289, was present with the U. S. Marine Band.

One of the members of the Lodge, A. J. Marlarkey, loaned his new King 8 car to carry some of the boys to Camp Kearney who had to be there by seven the next morning.

A large number of presents were given to the Lodge by the visitors, which are warmly appreciated by the members of 1289.

It was a time that will never be forgotten by those who were present. It was an evening of inspiration and of a good time—and of course good feeds. It is an evening that will long be in the hearts of the members.

DR. LUCAS HAS VERY PRETTY DENTAL OFFICE

Dr. P. O. Lucas, Tropico's dentist, who formerly had his office at 210½ San Fernando boulevard, is now nicely located in his new office at 221 North Brand boulevard, Tropico. His new dental parlors are probably the nicest in the valley, and also unlike any other, in that you don't have to go up a flight of steps or take an elevator up to his office. He has a building all to himself, which is all finished in white, both inside and outside. It is strictly sanitary, and the equipment is the most modern to be had. He invites his old friends to call and see him at his new location.

SURPRISE DINNER PARTY

Miss Gladys Hamilton was guest of honor at a surprise dinner given by her mother Mrs. Clara Hamilton, and her aunt Miss Wilson, at their home, 527 East Acacia, last Saturday evening. Guests were: Ruth Williams, Dorinda Haviland, Katherine Ripley, Dorothy Hobbs, and Essie Hamilton. After the dinner the party adjourned to the picture show at the Palace Grand where they were joined by members of the Lucky Thirteen of which Miss Gladys is a member. It was the regular meeting night of the club and after the theatre they were entertained at the home of Alice Beach.

Origin of the Curfew.

A note by Ruskin Butterfield reminds us that, although Shakespeare speaks of "the curfew bell" and Milton of "the faroff curfew sound," Chaucer more correctly refers to "corfew tyme," as curfew was originally an appliance for covering the fire. There are examples still in existence, for instance, in the Hastings museum; they look like large tea cozies in metal. They served, as moderns use fireguards, to prevent sparks setting the house on fire, and the housewife heaped the embers together at night and placed the curfew over them to lessen the combustion and in the morning save the trouble of lighting the fire again.—London Globe.

Old engravings of mining work in the early part of the seventh century show that the pickax, chisel and hammer were the principal implements employed.

AT THE PALACE GRAND

Baby Jane Lee and her sister, Katherine Lee will delight the audience at the Palace Grand Theatre on Saturday, February 9 in a special Wm. Fox attraction, "Troublemakers." These clever children also satisfy the children and grownups and you will like them in this picture. Also Roscoe (Fatty) Arbuckle in his greatest Comedy Scream, "A Country Hero." A matinee will be held at 2:30 and two evening shows at 6:45 and 8:45.

On Sunday, Feburary 10 there is another big feature picture, "The Devil Stone", featuring Geraldine Farrar, a famous beauty. This is her first picture since "The Woman God Forgot", and promises to be another achievement for this famous star. Also "Hello Teacher," a comedy with Harry Pollard. A matinee at 2:30 and two evening shows at 6:45 and 8:45.

"Daybreak" featuring the screen's wonderful dramatic star, Emily Stevens, a five-act Metro picture drama of vital human interest, is the offering for Monday, February 11. "Daybreak" is the initial Metro production to be directed by the famous French director, Albert Capellani, who is known as a master of screencraft. Also Hearst Pathe News Events. No matinee today. Two evening shows at 7:15 and 8:45.

On Tuesday, February 12, Dorothy Dalton in "Love Letters" will be the attraction, and everyone knows and likes Dorothy Dalton. "Love Letters" is a story of baffling mystery and burning love—Dorothy Dalton presents this theme with so much fire and burning love— eErewi onptiho-spirit spirit that it seems almost a part of your experience. Also Christie Comedy "One Good Turn". There will be two evening shows at 7:15 and 8:45.

On Wednesday, February 13 another famous actress, Lina Cavalieri, will be featured in "The Eternal Temptress", a story by Mme. Fred de Gresac. Here, Lina Cavalieri, most famous of modern beauties, adds the charm of her wonderful personality to a forceful story and thereby produces one of the photoplay sensations of the year. Also Paramount Pictograph and Cartoon Comedy. Two evening shows at 7:15 and 8:45.

"The Silent Man", featuring William S. Hart, is coming on Thursday, February 14, and you all know Hart. "The Silent Man" is the most absorbing, spectacular and thrilling vehicle Hart has ever appeared in, and the reckless and death defying feats he performs eclipse anything he has previously done. Also one reel of comedy. Two evening shows—7:15 and 8:45.

On Friday, February 15, Francis X. Bushman and Beverly Bayne will appear in a five-act Metro Wonderplay of adventure and romance. This is not a war picture. It's just a corking good picture, brimful of interest and excitement. Also Burton Holmes interesting travels. Two evening shows at 7:15 and 8:45.

CECIL SHAVER KILLED

GENERAL REGULATIONS GOVERNING THE FEDERAL REGISTRATION OF ALL GERMAN ALIEN ENEMIES IN THE UNITED STATES BETWEEN FEBRUARY 4 AND 9, 1918.

Alll German aliens above the age of 14 years and of the male sex must personally appear before the Registrar or Assistants at places designated by them on or between the dates specified—Feb. 4-9.

They must have four photographs of themselves, no larger than three inches square, unmounted, on thin paper with light background.

They will receive three blank registration affidavits which must be filled in and sworn to by the registrant.

The registrar will then fill in a physical description of the registrant and take his finger prints.

Between the dates of Feb. 19 and 23, 1918, the registrant must again appear before the same registering official at which time a registration card will be given to him. No fee will be charged. In the ten day interim investigation of the truth of the registrant's statements will have been made by the registrar.

Thereafter no German alien enemy shall change his place of residence without a permit from the registration officer of the registration district in which the alien enemy then resides.

As an emergent war measure, the Federal government is determined to insure the success of the registration project and, as a penalty to those who fail to comply with the order for registration, internment for the duration of the war has been declared.

The definition of "German alien enemy" applicable in this procedure, follows:

1. Females are not alien enemies.

2. A male, irrespective of the citizenship of his parents, born or naturalized in the United States, and subject to the jurisdiction thereof, is not an alien enemy, unless

(a) Such a male born in the United States has become naturalized in or taken an oath of allegiance to any foreign country against which war has been declared.

(b) A male so naturlized has, subsequetnt to his naturalization in the United States, becomes naturlized in or sworn allegiance to a country against which war has been declared.

3. A male native, citizen, denizen, or subject of a foreign nation or government with which war has been declared is an alien enemy, even though he has declared his intention to become a citizen of the United States by taking out first papers of naturalization, or has been partly or completely naturalized in any country other than the United States.

4. Naturalization of alien enemies cannot be completed during the period of the war; unless possibly where application for second or final papers of naturalization was made or accepted prior to the declaration of war against Germany—April 6, 1917.

5. A male child born in a country against which war has been declared of a father who was at the time of such child's birth a native, citizen, denizen, or subject of such hostile nation or government, is not an alien enemy if his father was naturalized as an American citizen while such child was a minor; provided that such minor child began permanently to reside within the United States before reaching his majority.

6. A male child born in a country against which war has been declared, of a father who was at the time of such child's birth an American citizen and there temporarily residing is not an alien enemy.

7. The marriage of an alien widow to an American citizen during the minority of her children naturalizes as American citizens such of her minor children as are dwelling in the United States at the time of said marriage.

8. If the second or subsequent husband of an alien widow becomes naturalized as an American citizen the minor children of such widow residing permanently in the United States at the time of the naturalization of such husband are thereby naturalized as American citizens.

9. The naturalization as an American citizen of the widow of an alien naturalizes as American citizens her minor children residing permanently within the United States at the time of her naturalization.

10. Males born in or residing as German subjects in Alsace-Lorraine subsequent to May 10, 1871, and now dwelling within the United States, are alien enemies unless naturalized as American citizens.

11. Males born in or residing as German subjects in Schlewig-Holstein subsequent to August 25, 1866, and now dwelling within the United States are alien enemies unless naturalized as American citizens.

PROCEEDINGS OE BOARD OF TRUSTEES

(Continued from Page 1.)

A communication was read from A. Carlisle & Company stating that a warrant issued by the City of Glendale to the amount of $4.23 had been lost and requesting that a duplicate be issued.

A report was filed from a joint committee of City Trustees and Trustees of the Public Library, accompanied by plans for certain changes to be made in the Tropico Branch of the Library, and recommending that a sum not to exceed $181.00 be expended for this purpose. On motion the report was received and the recommendation approved and the expenditure authorized, the amount to be taken equally from the Library Fund and General Fund.

The City Manager presented a written report in reference to the budget for the coming year; stating that he desires to begin the preparation of estimates bearing thereon at once, and further, that he believes the time has come for the announcement of a definite policy in regard to the taxation and tax rate. He stated that in his opinion, the present rate should be gradually lowered until the maximum rate for all purposes will not exceed $1.00, and recommending that instructions be given him to prepare the budget for next year on a basis of five cent reduction, assuming that the property values will not be raised above the present assessed valuation, except in instances where the same may be necessary on account of equalization. On motion the City Manager was instructed to proceed with the preparation of the budget as recommended by him.

A communication was read from the City Attorney in reference to the proposed extension of Sycamore Canon Road, that it is within the power and authority of the Board to expend a reasonable sum of money in making a preliminary survey of the proposed route.

A communication was read from the City Engineer in regard to his salary, expressing a desire to withdraw the voluntary reduction of the salary called for in his contract with the City which he made on May last.

An ordinance providing for the issuing of bonds of said City of Glendale in the sum of Seventeen Thousand Dollars for the acquisition of Fire Fighting Apparatus and Equipment was taken up for first reading and second reading and laid over for one week for the third and final reading.

The City Clerk reported in regard to the petition filed on February 4th, asking that proceedings be taken for the establishment of "Municipal Improvement District No. 1 of the City of Glendale," that the same being signed by 197 qualified electors within the territory embraced in said petition, the same being ten per cent and more of the qualified electors of the city in said territory; that it is therefore legally sufficient.

An ordinance in reference to the above was read, calling an election, first and second readings.

DEATH OF WILLIAM PAHLAND

William Pahland passed away early Tuesday morning, at his home, 639 E. Palmer avenue. He was forty-six years old. He has been a resident of Tropico for eight years.

The immediate cause of death was pneumonia, but Mr. Pahland had been in impaired health for some time following a railroad accident. Left to mourn his loss are his wife, Mina Pahland and five children, Adeline, Minnie, William, Henry and Ernest. Funeral services in charge of Scovern Letton- Frey Co., were held at the Church of the Flowers in Forest Lawn Memorial Park Thursday afternoon at 2:30 o'clock, and were conducted by Rev. B. C. Cory, of the Methodist church.
